### Maryanski Project

An Outreach of ReaLife Ministries of Louisiana, Inc.

We first heard about Betty Maryanski's hardship from David Milner, pastor of the Calvary Baptist Church, Orange, Texas. Along with thousands of other people in southeast Texas Betty found herself homeless as a result of Hurricane Ike and its devastating aftermath. With her husband passing away just a few months earlier and her home left in total disrepair, she wondered how she and her thirty-five year old mentally handicapped daughter would ever recover. Thanks to many concerned Christians; Betty has found a reason to hope. After hearing her heart wrenching story, ReaLife Ministries of Louisiana, Inc. is organizing people and resources to build her a new house.

Betty is excited about her new house plans!

With Melissa living in state sponsored foster care and because Betty currently doesn't have a place that both she and her daughter can live in and are separated, we need your help to make her dream a reality, "To be a family again." Our goal is to reunite Betty and her daughter in a new house built by those who serve the Lord, Jesus Christ; loving hands reaching out to those in need.

Volunteer's from Mechanicsville, VA remove the old house.

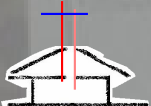

Volunteer groups and people of faith are already stepping forward to help in some way. If your Church or youth group is looking for a service project your help would be greatly appreciated. Construction is scheduled to begin March 8<sup>th</sup> and completed by end of Summer 2009. Call or e-mail for more details.

Larry Armand shakes hands with bld. Inspector Dean Fuller

Please help us make Betty's dream come true!

Project Home is a non-profit outreach of ReaLife Ministries of Louisiana, Inc.
